THOUSANDS DASH FOR CALIFORNIA GOLD

New York, October, 1848: Hugh Boothman: Gimme a paper, Boy. Gold discovered in California? It couldn't be, but then again . . . I hear the weather's nice out there. I just might go out for a week or so and look around. Now let's see . . .

New York (same day): Seaman Paddy McCarthy: Hey, Olaf, get a load of the young jerk coming up the gangplank. I'll bet he's another one wanting passage around the Horn to California. We'll probably let him off at Panama like the others, and then he'll need a balloon to get through those jungles.

St. Louis, March, 1849: Billy Bonney: Jim, let's hire out to those gents over there as guides. It's a long hard trip, but they pay good, and we might just find a little gold ourselves.

(And so, with the aid of the gold-eager '49ers, Los Angeles' Miracle Mile had its humble beginning.)

San Diego High, 1946: Mr. Brose: Golly, Larry, I've never seen a gang of sophomores that come to school in so many different ways. I'm expecting a fellow on a dog sled any minute now.

(And so, too, did today's '49ers arrive to make their insignificant start towards that far away, golden June, with the aid of

In a real sense this Yearbook will be a "Memory Book" for you. What persons and events will it commemorate? To some of us it may mark the year of the big freeze, or the end of ten years since the beginning of World War II. To the members of the graduating class I suspect that it will always be memorable for the flowering of friendships and the awakening of new hopes and ambitions.

To all of you it is my earnest wish that all memories of this year be pleasant ones, and that they mark the beginnings of many years of happiness and success.

EXTENSIVE MINING OPERATIONS EXPANDED

Los Angeles, April, 1849: Bill Jackson: That Guadalupe Hidalgo Treaty does more than end the war with Mexico. It makes all the gold in California belong to the U. S. I'm heading up for the hills tomorrow.

Poker Flat, October, 1849: (Jackson again): More people every day! Here I've been since April and haven't found more than enough to keep myself outfitted. But everybody sure does keep busy panning and the like, even in this terrible weather.

San Francisco, November, 1849: San Francisco newspaper: Reports from the gold fields tell of continued activity in all sections. Prices are now outrageous, but with the sudden influx of Americans nothing else can be expected.

(Thus California's sudden growth was accomplished without the aid of a single Chamber of Commerce.)

San Diego, 1948: A street car driver: Every day fewer and fewer kids pile out of the high school at 2:30. The after-school doings they have sure must be interesting.

Second row: Marna Knox, secy.; Manuel Silva, Harry Jacobson, pres.; Rhudy Fowler, Gould Allison, Jenette Inglis. Third row: Bob Pranger, Pat Glancy, Carrilou Ward, hist.; Horace Kennedy, advisor.

The ASB Council got right into the '49er spirit by calling the February ball "Golden Slippers" and presenting council members with official gold pins. Determined to be an active group, the fall council revised the constitution and formulated a code of ethics for San Diego High. The spring council discarded the merit point system, presented the second ASB Ball in June, and sent representatives to the annual C.A.S.C. convention up the coast, while doling out gold trophies to the athletes and weekly nuggets to the school organizations.

The Russ went golden, too, on the occasion of its fiftieth birthday. Starting the fall semester with philanthropic Geeks and phantoms with operatic tendencies, the Russ provided the theme for Homecoming and presented a golden anniversary banquet for ex-Russers. In the spring the staff came up with a Razz edition and the traditional senior edition.

The Girls' League continued its program of promoting higher necklines, lower hemlines, and the Lone Ranger Friendship Sign throughout the year. The gals started with "Fashionabilities of '48" in October and climaxed the year with the second annual GL Festival, earning their good conduct medals between times by social service activities. Rosie Palmus set a precedent in the League by holding the top office for both semesters.

The Boys' Federation shook off the lethargy which usually shrouds it and broke loose with four candidates for the office of spring prexy. With the record of an extremely successful March of Dimes campaign and a couple of fine BF assemblies left by Johnny, Dave set to work planning a dance, assemblies, and special events not-too-well-calculated to keep the fellas away from the female population.

The Seniors broke a San Diego tradition last fall, naming their sport dance an un-alliterative "Autumn Serenade." Breaking another tradition, the dance actually broke even. Other memorable senior events were the revision of the class charter, Career Day, the "get-togethers," the city-wide senior council, and of course the round of spring activities.

The Juniors followed the upperclass lead by calling their fall dance simply "Snowland Fantasy" and broke a tradition for themselves by holding the dance away from school. The class sponsored a PTA assembly, several drives, and the Kuder Preference Panels, in addition to a spring dance.

The Sophomores were welcomed by the Girls' League; their parents were welcomed by the PTA; the student officers welcomed them to all their meetings; and in the midst of it all the underclassmen presented their own talent show, with the best talent appearing in an assembly before the school.

SENIOR OFFICERS—Front row, left to right: Mary Lee Baker, secy.; Marilyn Jump, secy.; Peggy Myrick, treas. Second row: Jim De Caro, pres.; Jean Hope, vice pres.-treas.; Marietta Sauer, vice pres.; Raymond Yanes, pres. (Mrs. Mary Shmitt, Chester Davis, advisors.)

The Student Assembly is the other half of government here at the Hilltop. This group, comprised of the homeroom presidents and presided over by the ASB vice-president, meets after school once in a while to consider such vital issues as what color to paint the Hilltop's trash cans. But really, it is a vital organ in our democratic student government; the constitution says so.

The Choir was a 100 voice organization this year, including high school and junior college students. The group represented the Castle well in concerts, contests, and music festivals throughout the year. During the Christmas and Easter seasons part or all of the choir sang almost every day for various organizations in the community. Members wore the new satin stoles given them by the PTA.

The Girls' and Boys' Glee Clubs furnish the lighter and more fanciful music selections. The two groups operate separately, but both sing for the PTA, Christmas and Easter programs, for Homecoming and at the junior high schools. Composed mostly of underclassmen, the glee clubs serve primarily as training grounds for the choir and boys' ensemble. The Girls' Glee has 120 members, the boys' club 55 members. Both groups participated in the County Music Festival and Spring Concert.

The Boys' Quartet this year appeared for the first time in really nice uniforms provided by the ASB. Now Mr. Maxwell will have to consider height, weight, and waist measure as well as voice, when selecting future foursomes, since the ASB wants the uniforms passed on. The quartet represents the Hilltop at luncheons, banquets, meetings, and radio programs with entertaining songs about tacks and mosquitoes, as well as with serious selections.

The Gray Castle

creators were faced with the problem of finding common ground between the "comic book" and "ivy and rosebud" factions warring within the senior class. The result is an annual which is guaranteed not to shock anyone's great grandmother, yet one which will never be mistaken for a pillow. The staff, headed by Betty Sherr and composed of section editors Ruth Davidson, faculty; Jenette Inglis, activities; Marilyn Miller, clubs; Bob Pranger, sports; Roy Reed, seniors; and Harry Jacobson, literary; and the art class, headed by Marjorie Cyphert, hope you will like this solution to the problem.

The Lit Parade

faced only the problems of arousing the creative instincts of Hillers and then collecting a quarter from said Hillers to see their instincts in print. In spite of two such Himalayan difficulties, Roy Reed managed to make this year's literary magazine a credit to the Hilltop and its founding father, Quill and Scroll.

"D": Jeanne Alioto, Donna Davidson, Dorothy Fuentes, Armida Merino, Connie Carrasco, Henrietta Kahn, Jeannette Reed (cut off), Edith Harvey, Carol Clark, Ellen Habel, Barbara Mason, Betty Bethune, Betty Hunter, Mary Lou Berg, Jeanette Gilliam, Patsy O'Dell, Joanna Bogason, Dorothy Dailey, Virginia Krooskos, Harriet Ruben, Babs Fair, Carrilou Ward, Jackie Petties, Jeannie McCrory, Marilynn Watt, Julia Logan, Annette Massa, Bernice Bell, Marlene Marshall, Rita Barnett, Judy Calland, Joan Vernon; captains, June den Boestert, Phyllis Eaton. (Miss Shirley Hayes, sponsor).

The Sergeanettes of San Diego High School lent their traditional note of sparkling pageantry to the majority of the Hilltop's grid encounters both at home and away. Led by Colonel Marietta Sauer, Major Jerry Puza, and the captains, the girls executed clever Irish, Indian, and assorted routines to the spirited cadences of the drum corps. Adding color were the band and drill majorettes, flag twirlers, and acrobats.

Not a group which any red blooded Caveman would wish to see shelved at the close of the pigskin season, the high-stepping Cavebelles were called upon to add interest to the election campaigns and numerous community parades throughout the year. To top off their contributions to an appreciative Hilltop, the gals presented their traditionally spectacular Sergeanettes Ball in February to the strains of "Lavendar Blue."

The Pep Band

invaded the erstwhile peaceful campus of SDHS last fall with a repertoire consisting of one "Tiger Rag" and a population of eleven characters, better known as "shmoos." Organized by George Harbaugh and Jay Wright, the band played "special" music for the football games, turned out for basketball games, and accompanied the teams out of town.

The Band

reached a new high this year with about forty regular members, a goodly portion of them from the sophomore class. This organization not only played at the football games, but performed on the gridiron with the Sergeanettes, marched in parades, and participated in Homecoming.

The Song and Cheer Leaders

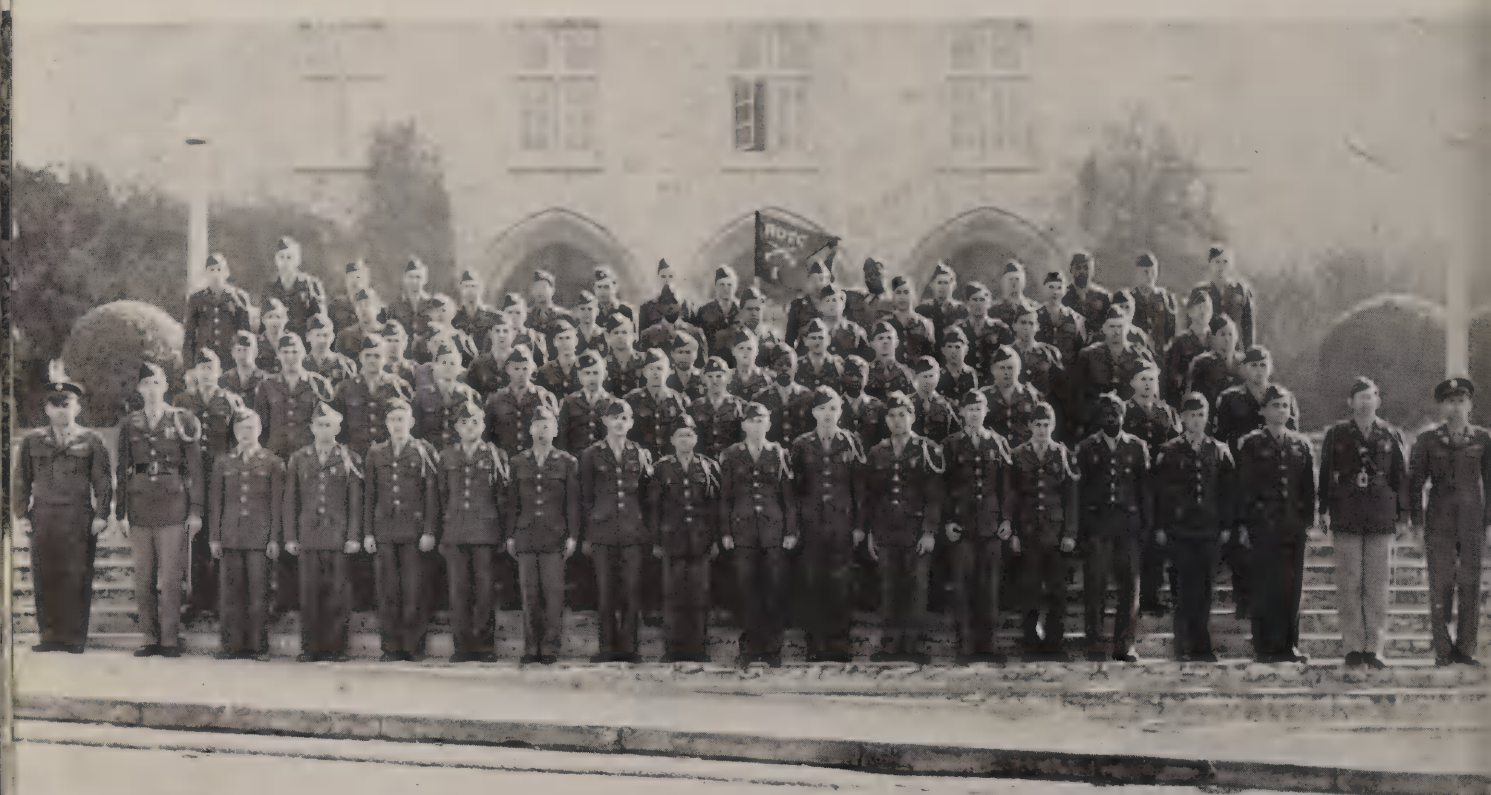

for this year were the most active crews to issue from the Cave in many calendars, despite head yeller Jimmy's attempted flips and accomplished falls. The boys and gals, under head songster Joyce, pepped up spirit at all the football and basketball games.

SONG AND CHEER LEADERS—Front row, left to right: Marilyn Sanders, Pat McClure, Joyce Hill, head song leader; Marilyn Harness. Second row: Dick Berton, Jim DeCaro, head cheer leader; Gould Allison.

The ROTC with a membership of 100 boys, has proved itself one of the most active groups in the school. The cadets have served as guards at the football games, participated in parades and competitions throughout the year, and raised and lowered the flag daily. Twenty-eight cadets with outstanding records in ROTC ushered at the Harbor Bowl game and were especially commended for their fine work. All the cadets belong to the city-wide Cadet Club which presents the two military balls each year.

The Rifle Team has been outstanding in the city this year. Having taken first place in the William Randolph Hearst and 6th Army Inter Collegiate Matches in competition with Kearny, Hoover, La Jolla, and Point Loma, the team promised to do well in this year's inter-school rifle competition.

The Orchestra's performances at the Homecoming assembly, Christmas Pageant, and spring concert were highlights of their year. The orchestra has about 40 members.

Campus Capers, the 1949 all-school show, arrived in March with a blaze of cancan girls and clever staging. Starting in old time vaudeville style, the show swung into a sleek modern review, closing with a circus production number. Included in the show were dancing, singing, and acrobatic acts, instrumental numbers, and chorus lines, with a cast of 150.

Berkeley Square was the dramatic fantasy presented by this year's senior class. The play cast a spell over the audience and left the spectators wondering whether Peter Standish was just a dreamer or slightly insane. A deeply emotional story, the time shifted from the present day to 1784 and back. The scene was London, England.

The Stage Crew was responsible for the sets used in all the school productions. These students set up and changed the scenery and stage props, regulated lighting, and were the men behind the show in general.

STAGE CREW—Front row, left to right: Joe Giammarinaro, Fred Reber, Dean Glaspey, Kenny Winters. Second row: John Reber, Al Eaton, stage manager; Bill Chappell, Chuck McGregor. Third row: Finley Smith, Larry Goodale, Don Stantz, Al Rodin, Charles Noland.

The French Club These hard-working French students combined their efforts this past year to give a terrific party. They were led by Jack Stubbs, president; Jeanette Reed, vice-president; Marcy Johnson, secretary; Ray Yanes, publicity chairman; Marlene Swennes, program chairman.

The Latin Club Here's an organization open to all those students who are studying Latin and have a yen for the "Old Look," namely togas. Their leaders were Jenette Inglis, president; Lavina Free, vice-president; Delores Kowalski, treasurer; Nancy Johnson, secretary; Kathryn Kelly, scribe; and Nellie Snyder, program chairman.

The German Club The group is made up of those whose special interest is German.

Pan-American Club The senors and the senioritas who make up this club either speak Spanish or are learning the mysteries of this language. Their officers were Manuel Smith, president; Ivan Shaw, vice-president; Trudy Quist, secretary; Bette Lou Pearson, treasurer; Sharon Kelly, publicity chairman.

Varsity Football

General remarks on the 1948 Cave football season ranged from the locker-room "ho-hum" to the press-box "again" as San Diego's Varsity pigskin machine made it three straight by taking the thrice-told Coast League championship again this season.

As usual, the powers that be (Mr. Davis & Co.) had bags under their eyes, mostly of money, as Coach Duane Maley Inc. drew more packed houses and won more thrilling games.

"Cave Gridders End Near Perfect Season," a headline plagiarized from the '47 Russ for the '48 sports extra, tells the story better than reams of copy. A lone defeat at the hands of St. Anthony's, 20-12, in the SCIF playoff first round, marred an otherwise spotless Hilltop season.

While downtown papers were playing up crosstown Hoover and their many losses, Maley's mountain men rolled over Phoenix, Pasadena, Grossmont, Compton, John Muir, Bakersfield, and the aforementioned hapless Redbirds.

Powerful Phoenix appeared first and disappeared in a second half splurge which netted the Hillers a 24-19 victory. This was no doubt the roughest game on the Cave schedule, much to the chagrin of the Castle fans who could listen to only a lousy radio recreation from Arizona.

Underdog Grossmont proved a tough yegg, but a hard forged 13-7 score proved sufficient to give San Diego its first loop victory. Out of town Alhambra took advantage of Hill fumbles and came out on the press end of a 0-0 decision.

A week later, a slightly tired but peeved Hilltop pigskin crew slapped down lowly Pasadena, 21-0. Seven days hence highly rated Compton fell 18-6; and then John Muir toppled, 21-6.

Best feature of the season was the perennial Hoover-San Diego game with the Hillers winning, as usual, 39-7.

Individual players shone brightly after the close of the '48 fiscal pigskin year. John Davis, outstanding center, was placed on the Helms SCIF first team. Charlie Davis, plunging full-back and leading scorer with 49 markers, was presented the Brietbard Award for athlete of the month of November.

Six members of the '48 grid machine landed on the third annual all-coast team: End, Granville Walton; tackle, Frank Sanfilippo; guard, Ray Asbury; center, John Davis; and backs, Neale Henderson and Charlie Davis were all included.

J. V.-Sophomore Football, Cross Country

Not to be outdone by their Varsity big brothers, San Diego High's J. V. and Sophomore pigskin machines also cleaned up on all city competition.

The JayVers, under command of Bill Patten, proved too tough for nearly all opponents, losing only to a rough Chula Vista combination.

Hampered by the loss of winger Bob Guerro, the Cavers still played a brand of ball second to none. Ronnie Lauer, end, gave hope to next season's Varsity with his sterling play. All around the Pattenmen turned in a bang-up performance.

A list of their victims included Hoover, St. Augustine, and Grossmont.

First year spangles of a newly organized sophomore football team also shone brightly, with but one win recorded in favor of the opposition. First game jitters gave Army-Navy Academy a sloppy decision, but after that Mentor Tom Jones and boys rolled over everything.

Hoover Bees, Mountain Empire, Kearny Frosh, and Grossmont were among their victims. Captain and field general, Louis Ferrari, turned in a creditable performance with his brilliant ball handling.

One sport has prevailed since the ancient Greek marathons—namely, cross-country, which, although hedging on a two-mile rather than one-hundred-mile run, still requires plenty of extra wind and work.

Coach Bill Patten, busy man in the Cave sports department, guided his twenty-odd runners to numerous honors during the '48 season. Laurels in the city, Coast League, and SCIF championships were awarded Hill harriers.

Dick Swanson stood out especially, being placed on the six-man, all-city, cross-country team and generally acclaimed second only to Compton's Jerome Walters in the Coast loop.

Tony Hechanova, "Blackie" Northworthy, and Jack Sardo all helped to pace the Hillers to victory on numerous occasions.

BOB McCLURG, ACE HILL FORWARD

Varsity Basketball

Fifteen wins, ten losses is a fitting summary for a great Cave basketball season forged by Coach Merrill Douglas and his five boys in blue.

Lack of that right amount of drive netted San Diego a tie for first place in the Coast League, but a chance at sole possession of the CPL title went down the drain when they bowed 31-29 in their final game with Compton. Nevertheless, final tilt or not, the Cavemen broke all precedents by grabbing a tie for the championship, as little can be said of Castle basketball machines in recent years.

The perennial alumni game inaugurated the regular '48-'49 season, with a brilliant graduate crew beating San Diego in their first appearance, 45-43.

La Jolla beaten, the Hillers entered the Kiwanis tourney but dropped their first round game to Long Beach Wilson, 42-40. Another heart breaker? It could have been, but Douglas Inc. raced through consolation bracket competition and grabbed those laurels. Bob McClurg, forward, and Ed Simpson, guard, were named on the all-tourney team.

Tournaments were fast and furious as Compton lured the Hillers away for a week of basketball and nothing but setbacks. They lost to both Mount Carmel and St. Anthony's and came home with their eyes on the Coast League and visions of grandeur.

Such was the case, almost, as the Cavers warped Pasadena and Muir, but lost to Grossmont 41-40 on a last-minute free-throw. Still not submissive, however, was Hoover, who played brilliantly but lost 39-29 to further the San Diegan cause. Compton and Muir were pushed aside, but two non-league encounters with St. Augustine and Point Loma were dropped by an over-confident Cave cage crew.

Undaunted, the Cavemen lashed out at Hoover for the second time, winning, 42-29, then going on to slaughter Grossmont and Pasadena. A loss to Compton, however, literally squelched Cave hopes of anything but a tie for first place, which they got.

Besides turning in an excellent performance as a team, all personnel of first string caliber received some mention for their work.

Simpson and McClurg were rated berths on the all-Coast team, with center, Lee Brown, making the second combine. Joe Cutri and Lloyd Bellair both received honorable mention. Bud Muehleisen, Charlie Davis, and Granville Walton made "heep" big noise also with their fine reserve work.

BEE BASKETBALL—First row: Mazzula, Sue, Jones, Davis, Manzano, T. Zimmerman, J. Zimmerman, Chuning. Second row: Zumwalt (Mgr.), Lloyd, Fields, Foley, Lee, Mendoza, Rodin, Neel, Solomon, Coach Burrows.

Wrestling

Contrary to the popular opinion that wrestling is better on the stage than in the ring because of the actors who participate with various grunts and groans and call themselves wrestlers, Cave grapplers provided Hill fans with many thrills during the past season.

Led by captain Dave Kikuchi, 128 pound wonder, Coach Frank Crosby's boys grabbed second place in the SCIF finals behind powerful El Centro, and ended a generally bang-up season.

Crosby plus four other city high school coaches worked long into many nights and formed the first metro wrestling league in the city's history. Kearny, Hoover, Coronado, Vocational and San Diego were all members.

Little was expected for the first year, but contrary to those predictions, the new loop turned into a big success with most of the meets tougher'n nails, most of 'em that is. Crosstown Hoover was mangled by the invading Hillers, 49-3, with a loss in the heavyweights, the latter's only downfall. The more than adequate San Diegans wound up with the league title as expected and Kikuchi was awarded the Paul Walker trophy for the best wrestler of the year. He was SPAAU, Far Western, city and SCIF champ, winning 19 out of 20 matches.

Don Allen and Ray Asbury were the other victors in the SCIF finals. Mike Burnett, John Alegria, Pete Rodriguez, Cy Morgan, Walt Haase and Dick Delgado all received Varsity letters for placing in the SCIF finals also.

Other meets besides city-wide fests included a loss to El Centro by the Hiller "A" crew and a like decision to Calxico by the "B" team. The vaunted Hillers took third spot in the NTC, won numerous awards in the beginners and novice tourneys.

Swimming, Golf, Tennis

Golf and tennis, oft spoken of as the least appreciated of all Cave sports, made big noises for themselves as their '49 seasons progressed.

Tennismen and Coach Tom Jones, working under a new formula of more work and less play, had won every match up to presstime. Two practice wins over Hoover were included in this sensational drive.

Richard Doss and Tom Fago paced the squad in these matches; but Ink Tourney stars Bud Muehleisen, Faustino Manzano, Herb Solomon, and Frank Lauricio, although on top of the challenge board, had yet to play in any inter-squad tussles. A big Coast season was looked forward to (eight games), and the annual Ink Tournament in April was also in view.

Golfdom may or may not have heard of San Diego High, but Coach Bill Burrows & Co. are determined to place the Hilltop in the big-name golf schools some day.

A good start was made this year with hapless Hoover falling victim to Cave might in a practice meet. Soph Bill McDade was low man.

Shaping up well and viewed with increasing happiness by Burrows were John Foley, high man on the challenge board, Jack Rosenberg, McDade, Bob Townsend, and Bob Smith. All were rated high, not only at San Diego, but also in the county and on the coast.

Something few Hill fans have ever witnessed is a swimming meet, but apparently there should have been crowds because Hilltop swimmers were giving the fish a good show with their numerous winnings.

Victories against Hoover and Coronado plus a third place in the rugged Whittier relays highlighted the '49 year.

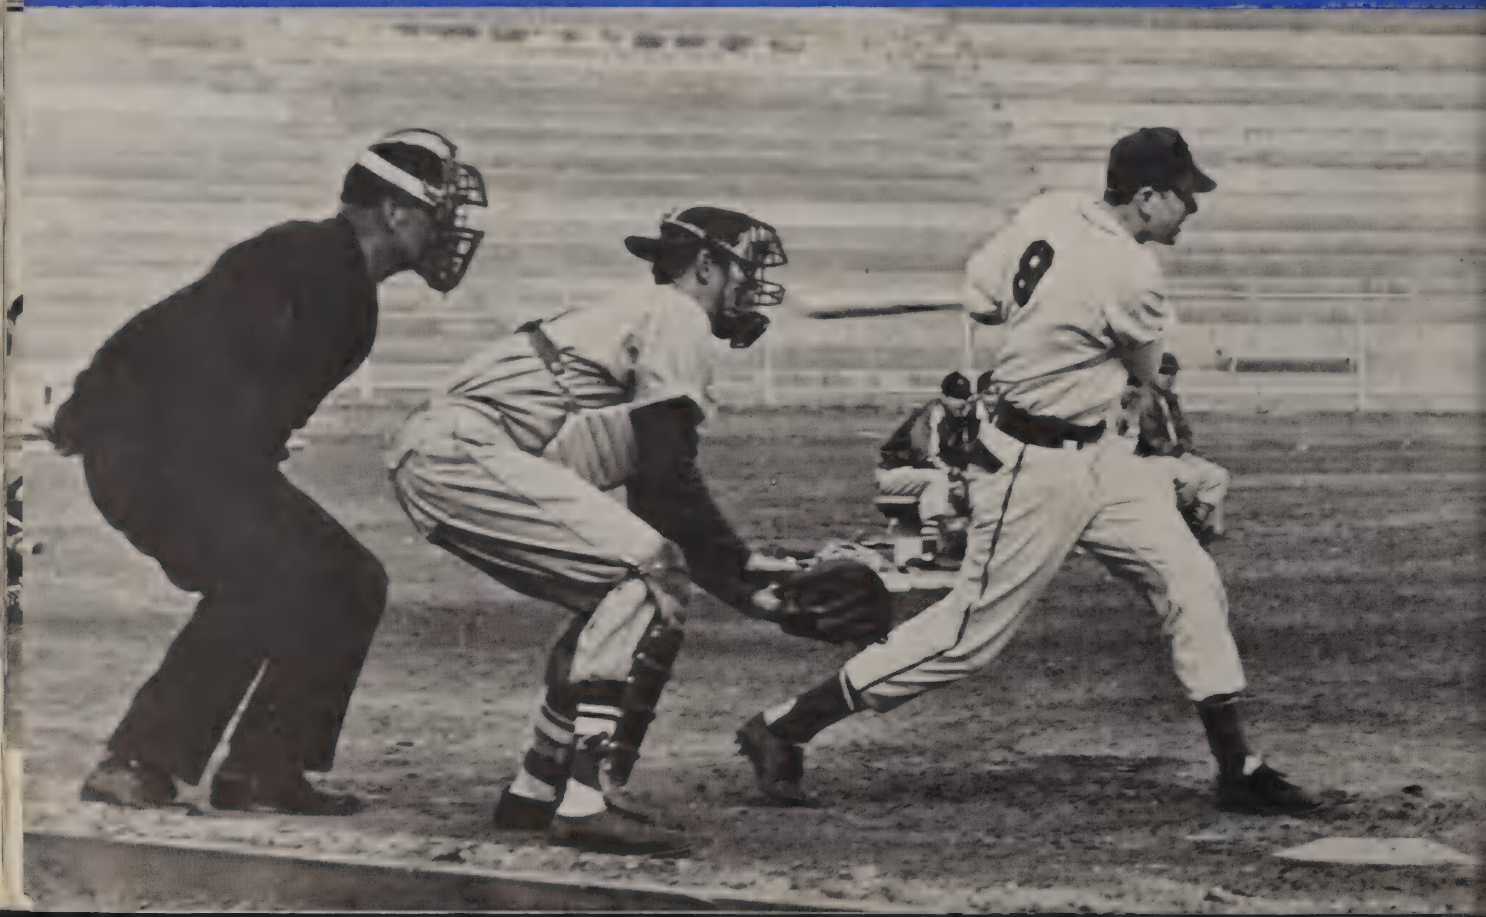

Captain Larry Rowen and Fritz Kunzell paced the talented Castle aquamen. Jim Cotton, Fred Thompson, Ronald Lykins, and Woody Naylor lent their support. Kunzell not only sparkled on the team, but also won honors both in the San Diego Club and in various other rough water swims.

Finale

Everything moves fast nowadays—airplanes, ships, trains, and even one Hilltop organization, the Varsity Baseball Team, which was rapidly approaching some super-sonic level on May Day, having completely routed all Coast League competition by an average of 15 runs per game. Tilts remained with no one save SCIF finals entrants. The momentous Morrowmen also grabbed the perennial Pomona 20-30 tournament, blasting "bootiful" Point Loma High 19-3 in the finals. Only losses of the season were three to rugged Tucson by scores of 2-1, 15-11, and 7-4. The last two decisions were hectic, to say the least, with the Wildcats victorious in the end over Hiller ace hurlers, Ray McCoy and Jack Smith. Again the highlights of the fast-waning season were two triumphs over a fighting Hoover crew. Scores looked something like 13-1 and 22-4.

A like story was predominant in track with Coach Bill Patten's Class "A" squad literally running away with all types of laurels. The Cavemen won the Coast League dual meet championship in easy fashion with only a close victory over Grossmont (one and one-third points to be specific) ruining San Diego's heavy marginal record. Led by Charlie Davis and Hal Espy, sprinters, the Castlers also copped the Huntington Beach Southern Counties Meet, and the Compton Gold Cup fest. The 880 relay team had yet to lose a test up to May 1.

ED SIMPSON, ANOTHER HIT

BASEBALL TEAM—First row: Ross (Mgr.), Hartsell, Martinez, Bennis, Simpson, Lutz, Coach Morrow, Lindsey (Mgr.). Second row: Turner (Mgr.), Campbell (Mgr.), Everett, McCoy, Hernandez, Jordan, Thomas, Coutts, McGlory (Mgr.).

Varsity Baseball Team

Baseball, a sport that proves a winning investment any time under the tutelage of Mentor Dewey "M.ke" Morrow was, as usual, looking fine at press-time.

Rated to take the Coast League championship, the second successive time, the Cavemen, led by flyhawk Ed Simpson, pasted hapless La Jolla, 12-2, in the stadium. Everybody had fun.

Rugged Tucson, yearly Arizona State champs, drove to San Diego and a two-game series, next.

First game score, Hillers, 9-6, and winner, Jack Smith, despite five errors. Second tilt total, Tucson, 2-1, and a heartbreaker. Ray McCoy, toiling brilliantly, yielded a triple in the top of the eighth, and an outfield fly broke the 1-1 deadlock and also numerous Cave hearts.

Little teams have a mania for playing big powers; and, needless to say, outlying Chula Vista is no exception. The Spartans trekked to the stadium and a 7-1 loss at the unmerciful hands of the Cavemen.

Although sentiments of Hill baseball fans were still rather cool, their leaning improved tremendously over last year.

Tom Martinez, three-year vet at second base, was leading Cave batters, with Simpson close on his heels. Morrow was experimenting with unusual combinations to fill up sagging spots.

John Hartsell was handling most of the catching chores, Bob Jordan was at first; Martinez, at second; Simpson or Al Kennerly, at third; Neale Henderson, at shortstop; and Frank Sanfilippo, Curtis Everett, Hal Brunson, Bud Muehleisen and Charle Powell were in the outer gardens.

Vern Coutts, Jack Smith, Jack Lutz, and Ray McCoy all were showing up well on the mound.

Track

Hal Espy

Annuals, like everything else, have deadlines; and hence this writer, hampered by conditions not in his control, is forced to run down a brief season summary and then just look at the rest of the year with hope.

Initiating the good-looking '49 track season was the San Diego relays, where the Hillers took second place in all three classes, just behind bitter rival and CPL partner Grossmont. Highlighting the individual events in that fest was Hal Espy's :10. 100-yard dash.

Point Loma was felled by Cave power, and La Jolla likewise succumbed.

The year, so far, looked like a replica of last season, when San Diego took an SCIF championship.

In track events, Hal Espy and Charlie Davis shone in the 100 and 220-yard dashes. Both in excellent condition, they were already gaining much notice. Weak in the 440 to some extent, Coach Bill Patten looked forward to his 880, 1320, and mile races as a source of much winning. Henry Cagle and Jack Sardo in the half mile, Tony Hechanova and "Blackie" Norsworthy in the 1320, and Dick Swanson in the mile, stood out.

Slightly under par in the hurdles, Patten still had hopes in Dave McCoy, B stickman, who was regularly beating Class A hurdlers with little trouble.

Field events took an upswing after the San Diego Relays, especially with John Davis, shining in his phase, the shot-put. Ian Taylor and Cornie Calma both did six feet or thereabouts in the high-jump with more expected. Freddie Davis, pint-sized sprinter, looked at his best in the broad-jump with leaps of 21 feet already on the score sheet.

A terrific trio was being moulded in the pole-vault with Al Rodin, John Reber, and Joe Cutri all

All in all, the Hilltop tracksters were advancing on one of their best seasons, maybe. clearing 11 feet.

TRACK TEAM—First row: Valentine, McInroe, Zunigas, Simpson, Swanson, Cagle, Hechenova, Sardo, Sanchez, Antonde, McIntyre, Tucker, Elam, Castro, Yahiro, McInroe. Second row: Najera, Stump, Yanihara, Gilbert, Foster, Buff, Norsworthy, Gulko, Walker, Ramirez, Papasthatis, Lopez, Malabana, Swenson, Dyson, Espy. Third row (seated): Kraus, Sue, Kent, Hallowell, McCoy, Thomas, Loman, J. Davis, Lewis, Donaldson, Taylor, Oalma, Steppe, Smith, Yanahara. Fourth row (standing): Reed (Mgr.), White (Mgr.), J. Davis, Coach Burrows, Stewart, Gould, Lindsey, McClister, C. Davis, Bushalachi, Acosta, Phillips, Little, Cutri, Kirkpatrick, Rodin, Reber, Gibbs, Tobias (Mgr.), Torres, Crawford, Hashiguchi, Coach Patten.

GOLD HAS MANY MEANINGS FOR NEW CALIFORNIANS

Carson Hill: Bernie Johnson: I've made my haul. Now I'm heading back East to the wife and kids. I've worked, but it's been worth it.

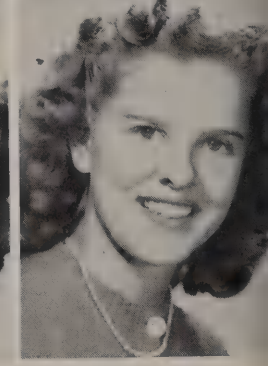

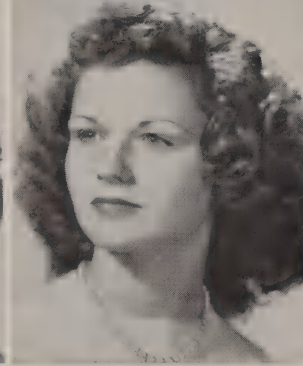

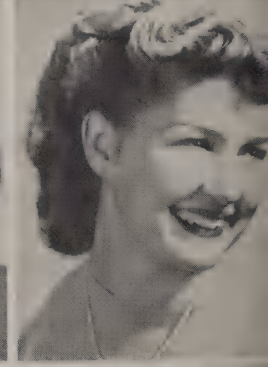

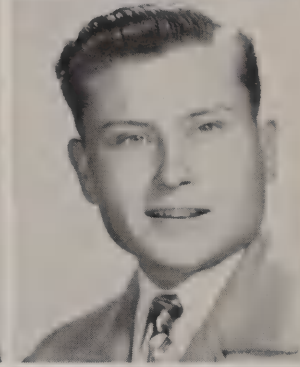

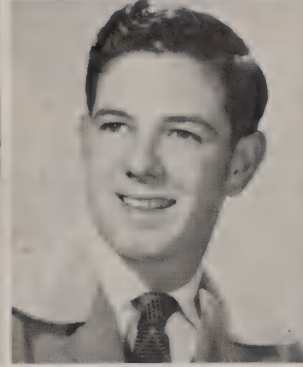

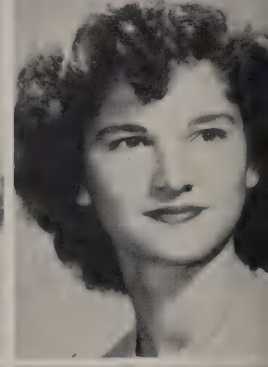

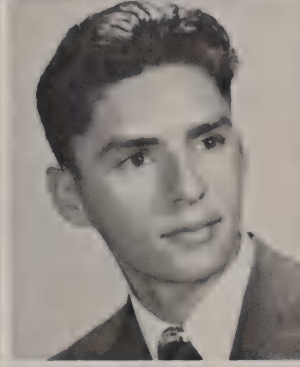

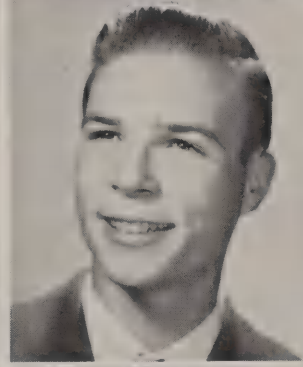

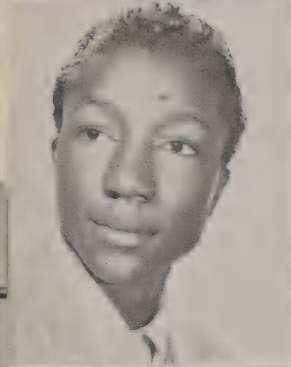

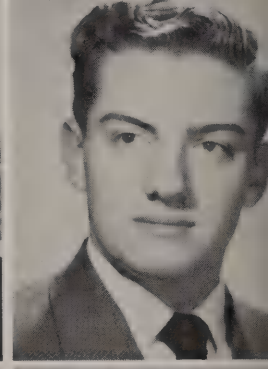

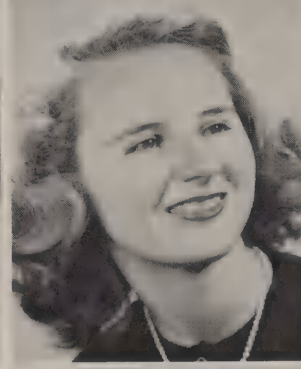

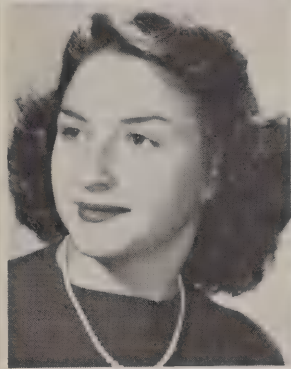

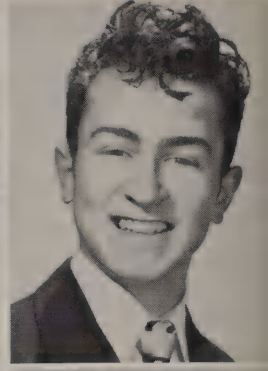

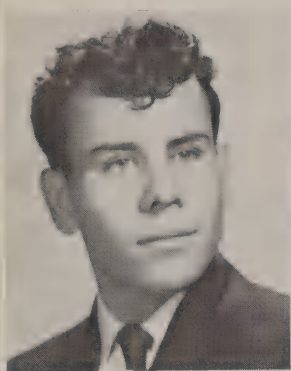

John Henson: When I first got my assayer's permit from the government, business was terrific; it's kind of slacking off now. But I've seen some of 'em come in here with plenty of pay dirt, all right.

Bill Tunney: I didn't find gold in the way I started, but I'm sending for the folks, and setting up a store right here. Some day California will have enough people to have real businesses.

Mrs. Mary Schmitt, Gray Castle, June, 1949: This year's seniors? Well, I guess around March, Schubert started to suffer with me in favor of the seniors. But then that happens every year. This class has two things that make it stand out in my mind: the feeling of interest in school activities among all the seniors, and the way those who took responsibility carried it out. Yes, I think that they'll do all right, these

Honor Roll

JUNE 17, 1949

The Scholarship Honor Roll of the Class of June 17, 1949, has been compiled in the office of the high school. This record is based on the work of the five senior high school semesters. All pupils whose semester grades of "A" (superior) number eleven or more are placed on the honor roll. A perfect record for the five semesters would be twenty "A's," as the average pupil is enrolled in four subjects each semester. A few honor pupils are able to carry five subjects and thus accumulate more than twenty "A's" during their high school courses.

Note: Pupils who enter with grades of "A" from other schools will have their "A's" accepted for the honor roll providing they make as good grades while in attendance at San Diego High School.
